Engaging Families: Creating College and Career Ready Students

August 12, 2015

8:30 - Noon

Explore how middle and high school counselors, advisors, and leaders can partner with two- and four- year colleges, local workforce systems, and other community agencies to engage parents and families as active partners in preparing students for college and careers. Participants will gain information and resources about college and career readiness as it relates to HB5 implementation.

Participants:

- High School Counselors, Parent Engagement, Outreach and College Readiness Staff
- Two- and Four-Year College Counselors and Admissions, Outreach, and Parent Engagement Staff
- Go Center, Communities and School, and Other Organization and Agency Outreach and Parent Engagement Staff
- Workforce Organization Staff committed to graduating students who are educated citizens and prepared to enter postsecondary education or workforce.

Registration: No Fee. Registration is required to prepare handouts and a light breakfast. Please follow the link to register
